

# UTP MAX

An elegant and powerful touch

# GET EVEN MORE WITH THE UTP MAX

## Take card payments in as little as 1.2 seconds

All the power and security of Android 10, on one easy-to-use Ingenico card machine.

Experience maximum connectivity with 3G, 4G, GPRS, Bluetooth and WiFi options.

A 6-inch customisable touchscreen for more ways to improve customer experience.

Take payments all day, with a super long-life battery and accept QR-code payments with dual cameras.

The UTP Max comes with a base.
